The worksheet consists of five horizontal rows, each enclosed in a light blue border. Each row contains a dog on the left and a red bowl of food with a bone on the right. A dashed line path connects the dog to the bowl. The paths are as follows:

- Row 1: A dog with white fur and brown patches. The path is a series of connected, rounded, downward-pointing arches.
- Row 2: A brown dog with a red collar. The path is a series of connected square waves.
- Row 3: A brown dog with a red collar. The path is a series of connected sharp zigzag lines.
- Row 4: A white dog with a blue collar. The path is a series of connected rounded arches, similar to the first row but with a different dog.
- Row 5: A brown dog with floppy ears and a red collar. The path is a series of connected sharp zigzag lines, similar to the third row but with a different dog.
